

LET'S MAKE A DRAGON

WHAT YOU NEED:

- Pritt stick
- Scissors
- Decorating supplies : markers, crayons, stickers...

HOW-TO STEPS:

1. Paint the template however you like.
2. Carefully cut out each element.
3. Apply Pritt to the tabs of each piece.
4. Gently fold the paper and press firmly to secure the glue.
5. For more detailed instructions on how to build each character, check out the tutorial video available through the QR code.
